wikipedia org Fruit Ninja - Wikipedia 450 × 301 - 179k - png play google.. com Fruit Ninja - The original juicy fruit-slicing action game! 680 × 429 - 47k - jpg en.. It's like playing with the freeze banana but even slower than that I'm very disappointed especially since the previous years version was still working, still playable, and DID NOT LAG! I deleted both apps I had and I really want to play but now I'm not sure if I'll be able to even if I redownload it especially with all the negative reviews.
