He literally said bought GTA V on Steam. Just right click GTAV in your library on Steam then press view cd key.. All trademarks are property of their respective owners in the US and other countries.. If retail, then the code should be in the box, or on the manual documents. If you do not have any of this, contact the retailer from which you got the game.. If you bought it digitally, then you should receive e-mail containing the code and other information how to use it.
